Dillon RMP Protest Review Continues

This is the twelfth in a series of update letters you'll be receiving as we move through the planning process and develop an RMP for BLM managed public lands in the Dillon Field Office.

If you received this letter, you are on our general mailing and/or email list. If there is a problem with your address information, or you would like to be removed, please contact Renee Johnson at (406) 683-8016 or send an email to MT_Dillon_RMP@blm.gov. The BLM Dillon Field Office address is 1005 Selway Drive, Dillon, Montana 59725.

The Dillon RMP website, usually found at www.mt.blm.gov/dfo/rmp, is currently unavailable for public viewing due to a court order.

We released the Proposed Resource Management Plan (RMP) and Final Environmental Impact Statement (EIS) for BLM lands administered by the Dillon Field Office in Beaverhead and Madison counties in April 2005. The proposed land use plan decisions contained in the document were subject to a 30-day protest period that ended on

May 31, 2005. The BLM received seven protest letters, and protest points contained in the letters are currently being reviewed by the BLM Assistant Director of Renewable Resources and Planning in Washington, D.C. and his staff. A date for completion of the protest review has not yet been determined.
